

# IEEE SENSORS 2018

October 28-31, 2018 | Pullman Aerocity, New Delhi, India

## The IEEE SENSORS 2018 Call for Focussed Session

The IEEE SENSORS 2018 Conference will have focussed sessions to provide a forum where on emerging or cutting edge sensor related topics can be explored and discussed. Focus sessions could be based on a topic identified well ahead of time. The topic of focussed session is not expected to overlap with the regular tracks of the conference. Thus focus sessions help bring new topics and new people to the IEEE Sensors Conference.

### Instructions for submission:

Proposals of Focussed Sessions should submit using the template available below and on the IEEE Sensors Conference website (<http://ieee-sensors2018.org>). The proposal should be sent to Rachel Brockhoff at [rbrockhoff@conferencecatalysts.com](mailto:rbrockhoff@conferencecatalysts.com)

Please see the following pages for the attached form.

# FOCUSED SESSION PROPOSAL FORM

Please submit this proposal form via email to Conference Contact Rachel Brockhoff

 No

## E. Contributed Talks

How many contributed abstracts do you estimate will be submitted?

How will you make an effort to invite as many people as possible to submit abstracts? Past experience indicates that this greatly enhances the success of the Focused Session. *(Maximum 50 words)*
